Management System.

Making the Grades

Sheet Standards

Grain Direction

All Monadnock paper is delivered grain long, unless otherwise specified. The printing of short grain paper may impede color registration and general print performance, for which Monadnock cannot accept responsibility.

Special Sizes

Sizes other than those listed in this Stock Guide are available upon request.

Parameters are as follows:

- 65 x 96" largest grain long.
- 65 x 65" largest grain short.

Packaging

Stocked items are packed in cartons with select items on skids. Sheets are packed felt side up. Maximum skid height is approximately 65".

Consult Customer Service for exceptions to these roll and sheet standards. Exceptions may be subject to additional charges and lead times.

For the most up-to-date stocking and specification information, visit **mpm.com**.

Roll Standards

Diameter

Rolls from 30" minimum to 48" maximum.
We will supply 38" to 40" diameters. Roll weight minimum 500 lb.

Width

Rolls from 15" minimum to 100" maximum.

Cores

We provide 3" inside diameter plugged fiber cores. Core sizes 4, 5, 6, 8 and 12" inside diameter are available upon request.

Splicing

Splices will be butt splices, made with repulpable tape.

Winding

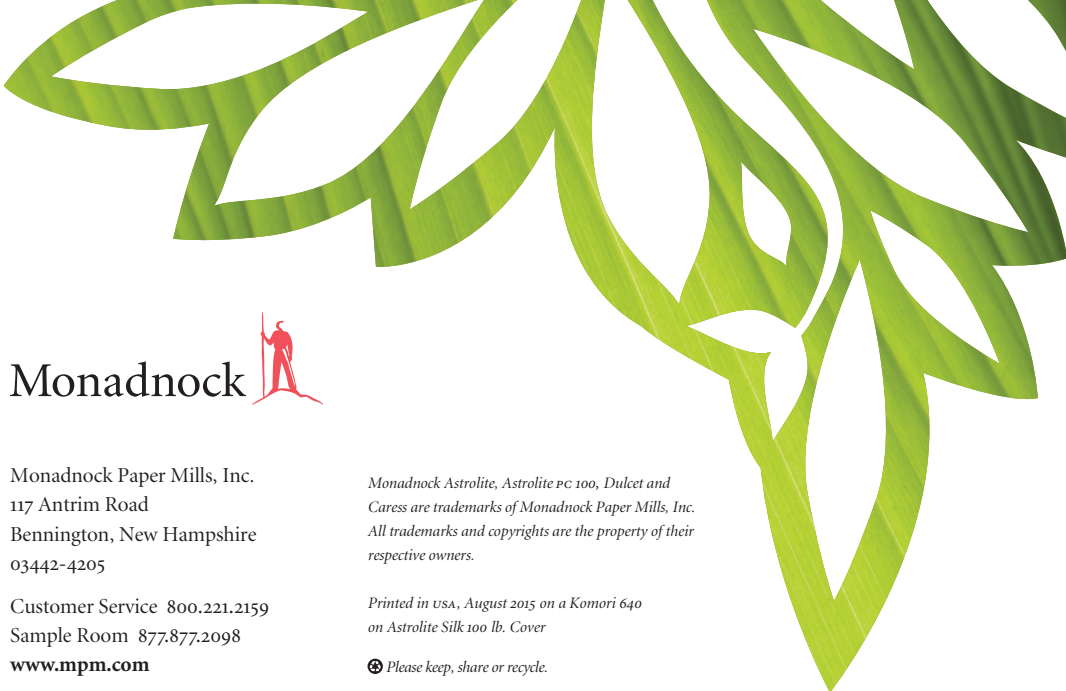

Rolls will be delivered **felt side out**.

Packaging

Rolls will be wrapped in moisture-proof wrap, protected on the edges and sealed with headers.

Shipping

All rolls will be shipped on-end.
