Ultrahide[®] PC 100 Blockout Poster

An ENVIPORTFOLIO Product

Your environmental graphics reflect your brand. Respect your brand story with Ultrahide – a high-performance, FSC[®] certified blockout poster stock from Monadnock.

Ultrahide is engineered for indoor use and is perfect for two-sided retail store signage.

Monadnock Ultrahide® PC 100 Blockout Poster

This substrate is 100 percent opaque blocking any light and artwork showing through from behind. The uncoated smooth matte print surface on both sides is optimized for excellent photographic reproduction. The product is engineered to lay flat in varying moisture conditions.

Ultrahide PC 100 is made with FSC® certified 100% post-consumer waste recycled fiber and it is curbside recyclable in the mix paper waste bin.

APPLICATIONS

- POP Window Signage
- Indoor Signage
- Hanging Signage
- Banners
- Poster Displays
